To the Prison University Project. 5-2-20

Thank you! I wanted to be sure those were the first words I wrote.

I have nothing but gratitude for the thoughtful way all of you have been to us here at San Quentin S.P. Your endearing acts of kindness to all of us here, shows why we hold you all in the highest regards. In return, the care package I recently received was something that gave me back a little hope, that things would be okay.

I am a student at Mt. Tamalpais College, and I really look forward to my return to classes.

My sincere hope is that all of you are well, and continue to be. As for us here, I have not heard of anyone get becoming sick with covid-19. We can only hope it remains this way. With all the P.P.E. we use, and the measures the staff take, we will be fine.

Once again, I would like to say from the bottom of my heart, "Thank you" to all of those who work for, or volunteer, at Mt. Tamalpais College.

May you all be well, and back to work soon.

Sincerely,

Daniel M. Harris
