Just a note of thanks, for the small, but meaningful and spirit lifting package. I must say that as someone who was housed in the Adjustment Center (a disciplinary unit) for more than 12 years, these measures taken to prevent the spreading of this virus in prisons; do not affect me in any way shape or form. And I welcome them as they are meant to protect us all, equally, so let us cooperate! (I give authorization to share this letter - but wish to be identified by my initials.

Thank you again
