

Greetings,

4/28/2020

I would like to say thank you very much for the care pack I received from you. I was feeling really down and out, and in need of a little boost. That's exactly what you have done for me.

I woke up and seen the package full of love, I was overwhelmed with emotions. It's warming to know there is someone who truly cares in the outside world about a prisoner locked away.

Just to know there's people outside these walls thinking about us brings joy to my heart.

I'm really at a loss of words.

Thank you for reaching out and touching so many people here at San Quentin. You all will be on my heart and in my thoughts.

Please keep up the great work, the prison university project is awesome your support is a true blessing.

Sincerely

Brian Sean Lyons
