Dear P. U. P.,

My name is Bill Nelson, and I will like to first of all thank you, for your generous gift, and the information on the pandemic situation. I also would like to thank those on the outside, for thinking about our health, and W. F. re. I am doing ok, staying busy, reading, writing letters, etc. The conditions in here is alright for prison; Each inmate was giving three face mask, one bottle of hand sanitizer, but we do have plenty of Soap. As you know prison was not build for social distancing, so we have to use our common sense to protect ourselves. I am doing all I can to help other's see the light, and reading m, Bible, and Praying. (Feel free to share the letter, in anyway.)
