#1.

Dear Jody,

MAY 26, 2020

My name is Carrell Thomas.  
I've been incarcerated for 24 years,  
21 of those years on Death Row.

I'm writing you to say "Thank You"  
to you, The Venture Prison University  
Staff, as well as all of the  
known and unknown people on the  
outside thinking about us and  
supporting us. Thank you.

I received the care package and  
I'm very appreciative. I apologize  
for my delay in responding. I've  
been tied up in a writing project.

I would like to ask, you if could  
assist me? I'm preparing to write  
on life in prison. I would like to  
know if you or anyone out there  
have any questions about what  
life is like for a Death Row inmate  
I'm collecting questions from all over  
the world and my first project  
will be based on answering the

#2

Questions of people who really want to know. Questions could include anything about my life, feelings, thoughts, family, and upbringing.

Due to the fact that my appeal is active, I am unable to answer questions about my current case.

I have ~~participated~~ participated in the push to end the death penalty and a few of my writings have been published online. Now, I'd like to possibly try writing a book. So, if you or anyone has any questions I can use, I am thinking about possibly publishing a book of questions from around the world to a death row inmate.

\* Yes, you can share my letter.\*

Again, I thank you and all involved for thinking of me.

Sincerely,

Carrell
